Provide Security Codes

A screenshot of a web application interface for the Securities & Exchange Commission of Pakistan (SECP). The page is titled "SECURITY CODE VERIFICATION". It contains two input fields: "Provide Security Code sent to your provided mobile no. *" and "Provide Security Code sent to your provided email address *". Below these fields is a checkbox labeled "I have read and agree to the following Terms and conditions" and a "Verify Security Codes" button. A message below the button states: "Security codes have been sent to provided Mobile No. and Email Address, to complete the process please provide the received security codes". The left sidebar contains navigation options: "Processes List", "Submitted Processes", "Update Profile", and "Logout".

Match Security Codes

PIN received

Generate PIN and send it through SMS and Email
